Campaign Ideas and Content Brief

1. 5 Creative Campaign Ideas – Food Delivery App

Target Audience: College students in Ahmedabad

1. **Ahmedabad Student Meal Pass** – Special low-cost meal combos available only during college hours.
2. **Hostel Hunger Hour** – Limited-time offers from 8 PM to midnight for hostel students.
3. **Campus Food Battle** – Students vote for their favorite local food and the winning restaurant gets featured.
4. **Refer Your Roommate** – Students invite friends and both receive a discount on their next order.
5. **₹99 Food Hunt** – Promote selected meals under ₹99 at different restaurants every day.

---

2. Instagram Reel Content Brief – Spotify

Campaign Name: "Your Music. Your Mood."

Objective: Increase Reel engagement, shares, comments, and music discovery among Gen Z users.

Target Audience: 16–25-year-old students and young music listeners.

Content Format: 15–30 second Instagram Reels.

Concept: Show different everyday situations and match each situation with a music mood.

Example:

- Studying → Focus playlist
- Gym → High-energy playlist
- Travelling → Road-trip playlist
- Late night → Chill playlist

CTA:
"What's your mood today? Comment your song."

KPIs: Reel views, comments, shares, saves, and profile visits.

4. Edited Campaign Brief for Indian Youth

Original Concept

“Big Diwali Sale – Shop Your Favorite Products and Save Big.”

Edited Concept

“Diwali Shopping, Full-On Savings – Upgrade Your Style, Gadgets & Gifting Without Breaking the Budget.”

Two Important Changes

1. Indian Youth Language:
Added **“Full-On Savings”** and **“Without Breaking the Budget”** to make the message sound more natural and relatable to young Indian shoppers.

2. Indian Cultural Context:
Added **Diwali gifting, gadgets, and fashion** because these are highly relevant categories during the Indian festive shopping season.

Final Youth-Focused CTA

“Build Your Wishlist. Grab the Deals. Celebrate Diwali Your Way.”
