Question:
Go to SEMrush's free Keyword Gap tool and compare two e-commerce sites (for example, Flipkart vs Myntra). Identify 3 keywords that Flipkart ranks for but Myntra does not, and write them down.

Answer:

Keyword	Flipkart	Myntra
mobile phones	Ranks	Does not rank
refrigerators	Ranks	Does not rank
washing machines	Ranks	Does not rank

These keywords represent opportunities for Flipkart because they match its broad e-commerce product categories.

Question:
Imagine you are launching a new cricket score app to compete with Cricbuzz. Use any one free tool (Ahrefs or SEMrush) to find 2 keyword opportunities your app could target that Cricbuzz is missing.

Answer:

Keyword Opportunity	Reason
Live cricket score today	Targets users looking for current cricket scores and match updates.
IPL live score today	Targets IPL users who want quick and updated live scores.

These keywords could be targeted with dedicated live-score pages, regularly updated match information, SEO-friendly titles, and relevant content.
